

Safety Card: YouTube Kids

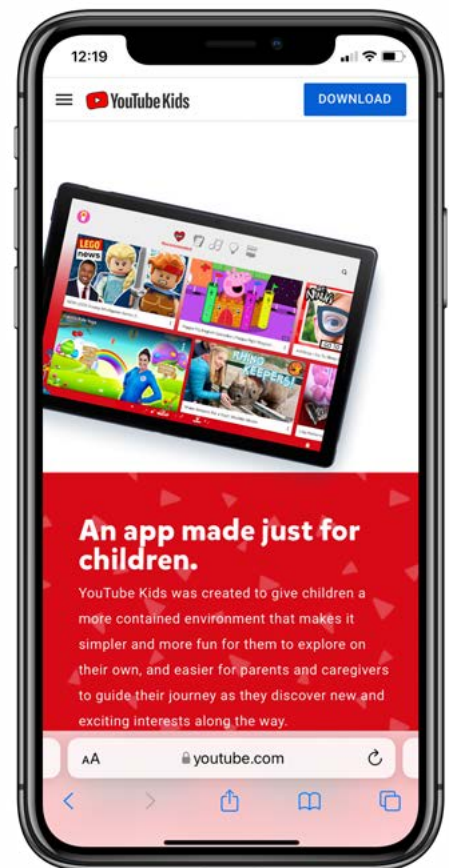

YouTube kids allows children and young people to watch their favourite videos in one place and they can search for the shows they like and discover new ones. It contains videos that are uploaded to YouTube and has an algorithm that pulls out appropriate videos for little ones.

Stay safe on YouTube Kids using the instructions on **Parental Controls, Blocking & Reporting** below.

Parental Controls

Configure the Parental Controls with these simple instructions;

- Tap on  in the bottom right corner of the app & then complete the multiplication.
- Tap on **Settings** and then select your child's profile.
- Enter your password. Here you can configure **content settings, allow searching** and control **watch history**.

Blocking

Block a video using these simple instructions;

- Select the video you want to block and then tap on 
- Tap on **Block**.
- You can chose from two options, **Block this video only** or **Block entire channel**.

Reporting

Report a video using these simple instructions;

- Select the video you want to report and then tap on 
- Select **Report**.
- Select your issue and then tap **Report**.
